From: Mr. Lindsee Tanimoto, (916) 322-2275

The following proposed rule, which will be considered at a public hearing to be held by your District Board on July 10, 1998, was received by us on May 6, 1998, for our review:

Rule 1902 *Transportation Conformity* (for amendment)

The rule was reviewed by the Air Resources Board's Executive Office. Based on the information available to us at this time, we find the rule acceptable and we have no comment. If you have any questions, please contact me at the telephone number above.
