

ATTACHMENT A

SUMMARY OF PROPOSALS

(* = annual fiscal impact greater than \$10,000 per year)

PAR 301 – PERMITTING & ASSOCIATED FEES

Reference	Proposal
All*	<p>Option 1: A 3.65% rate increase in fees, reflecting the increase in the 2005 California consumer price index (CPI), where applicable, <u>except</u> for permitting, annual renewal and emissions related fees which are increased by an additional 6.35% to a total 10% rate increase annually for the next 3 years, or</p> <p>Option 2: A 3.65% rate increase in fees, reflecting the increase in the 2005 California consumer price index (CPI), where applicable.</p>
(c)(1)(D)*	For equipment that is issued a Permit to Operate without a prior Permit to Construct the applicant shall also remit annual operating fees for the source for 3 full years, or the actual years of operation if less than three years.
(c)(1)(J)	The Standard Streamlined Permit fee is aligned with the Administrative Change fee for Schedule B and higher equipment categories.
(c)(3)(A)	Alignment of the fee for permits that must be reissued with conditions prohibiting the use of toxic materials and for which no evaluation is required, no physical modifications of equipment are made, and the use of substitute materials does not increase Volatile Organic Compounds (VOC) by more than 0.5 pound in any one day with the Administrative Permit Change fee for Schedule B equipment and higher equipment categories.
(c)(3)(B)(ii)	Alignment of the fee for permits that are to be reissued for removal of a condition on standby fuel supply where an NSR evaluation is not required.
(c)(3)(C)*	The Administrative Change fee for Schedule A and A1 is aligned with the fee for all other schedules.
(i)(1)	Paragraph (i)(1) is split into two subparagraphs (1)(A) CEQA Document Preparation with a reduction in the existing addendum to EIR fee and (1)(B) CEQA Document Assistance and a proposed hourly fee for assistance is provided, except for review of CEQA documents created by other agencies.
(o)(5)*	The RECLAIM Facility Permit Amendment fee for an application that does not require an engineering evaluation is aligned with such applications that do require an engineering evaluation.
(o)(7)	The RECLAIM Change of Operator fee is aligned with the RECLAIM Facility Permit Amendment fee.
(p)(6)	The Title V Administrative Permit Revision fee is aligned with the non-small business Change of Operator fee as specified in the Summary of Permit Fee Rates Change of Operator."
(p)(7)	The Title V Permit Revision fee is aligned with the non-small business Change of Operator fee as specified in the "Summary of Permit Fee Rates Change of Operator."

(p)(8)*	The Title V renewal initial processing fee base rate is proposed to be changed from 5 hours to 8 hours to reflect the time required to process the typical Title V renewal.
(q)(5)	The Facility Permit Change of Operator fee is aligned with the non-small business Change of Operator fee as specified in the "Summary of Permit Fee Rates Change of Operator."
Table: Summary Permit Fee Rates*	Schedule A and A1 Change of Condition fee is aligned with the Administrative Permit Change fee.
Table: Summary Permit Fee Rates*	Increase the Schedule F, G and H base rate by an additional 20 hours to reflect the time required to process the typical permit applications subject to these fee schedules.
Table: Summary of Permit Fee Rates – Change of Operator*	Align the Change of Operator Non-Small Business fee with the Administrative Permit Change fee and correspondingly increase the maximum per facility fee cap.
Table IA*	Add categories for control equipment, "three in series" and control equipment, "four or more in series."
Table IB*	Revise the schedules for small dip tanks, small degreasers, emergency and other combustion engines and sumps.

PAR 303 – HEARING BOARD FEES

Reference	Proposal
All*	A 3.65% rate increase in fees, reflecting the increase in the 2005 California consumer price index (CPI).

PAR 304 – EQUIPMENT, MATERIALS, AND AMBIENT AIR ANALYSIS

Reference	Proposal
All*	A 3.65% rate increase in fees, reflecting the increase in the 2005 California consumer price index (CPI).

PAR 304.1 – ANALYSES FEES

Reference	Proposal
All*	A 3.65% rate increase in fees, reflecting the increase in the 2005 California consumer price index (CPI).

PAR 305 – FEES FOR ACID DEPOSITION RESEARCH

Reference	Proposal
All	Rescind Rule

PAR 306 – PLAN FEES

Reference	Proposal
All*	A 3.65% rate increase in fees, reflecting the increase in the 2005 California consumer price index (CPI).
(h)*	Assesses an annual plan review/renewal fee to be assessed at a flat rate equivalent to the Rule 301(d) Schedule A Annual Renewal rate rather than the current hourly rate. Also, the fee is to be paid annually on a date set by the Executive Officer.
(i)(2)*	If the Executive Officer determines that a qualified independent consultant is required by the District, to review a specific plan, the fees charged by the consultant will be in addition to all other fees required.

PAR 307.1 – ALTERNATIVE FEES FOR AIR TOXICS EMISSIONS INVENTORY

Reference	Proposal
All*	A 3.65% rate increase in fees, reflecting the increase in the 2005 California consumer price index (CPI), where applicable. The “State Fee” amounts in Table I and the maximum small business fee of \$300 are not increased.
(d)(2)(C)*	An annual facility-wide flat fee has been added for those facilities that operate emergency standby diesel engines.
(d)(3)*	If the Executive Officer determines that staff or an AQMD contractor is required to prepare or revise a Health Risk Assessment mandated by AB2588, the staff cost for their work at an hourly rate and the fees charged by the contractor will be charged to the applicant in addition to all the fees required.
Table I*	A surcharge is included on all Table I fees to recover the additional cost of administering AB2588 air toxics programs.

PAR 308 – ON-ROAD MOTOR VEHICLE MITIGATION OPTIONS FEES

Reference	Proposal
All*	A 3.65% rate increase in fees, reflecting the increase in the 2005 California consumer price index (CPI).
(o)*	Rule 2202 subparagraph (b) requires employers to notify the District within thirty calendar days when they become subject to this Rule and to annually register with the District to implement an emission reductions program. This amendment implements a fee for those facilities that do not notify the AQMD within the required 30 day period. In addition any person requesting a time extension to submit a Rule 2202 registration is referred to Rule 313 for the procedure to do so.

PAR 309 – FEES FOR REGULATION XVI

Reference	Proposal
All*	A 3.65% rate increase in fees, reflecting the increase in the 2005 California consumer price index (CPI).
(d)*	Clarification: Relocation of the Rule 1610 Scrapping Plan verification inspection fee, previously in Rule 306.

PAR 311 – AIR QUALITY INVESTMENT PROGRAM (AQIP) FEES

Reference	Proposal
All	A 3.65% rate increase in fees, reflecting the increase in the 2005 California consumer price index (CPI).

PAR 312 – SPECIAL PERMITTING FEES FOR AGRICULTURAL SOURCES

Reference	Proposal
All	Rescind Rule

PR 313 – AUTHORITY TO ADJUST FEES AND DUE DATES

Reference	Proposal
All	<p>Option 1: 3.65% rate increase in the Rule 308 surcharge, reflecting the increase in the 2005 California consumer price index (CPI) and emissions related fees which are increased by an additional 6.35% to a total 10% rate increase, annually for the next 3 years, for the permit application cancellation fee; OR</p> <p>Option 2: 3.65% rate increase, reflecting the increase in the 2005 California consumer price index (CPI) for both the Rule 308 surcharge and the permit application cancellation fee.</p>
All	This rule is a consolidation of the various provisions currently included within Regulation III that provide the Executive Officer limited discretion to make certain adjustments to fees and/or due dates. Many of the discretionary actions provided for in this proposed rule are currently performed on behalf of the Executive Officer by the Fee Review Committee. The rule does not provide the Executive Officer authority to alter the substantive requirements of the District Rules and Regulations.
