WORK PROGRAM IMPACT: None

Contract Execution Status

2009-10 Work Program

On September 11, 2009, the AQMD Governing Board approved 27 awards under the Local Government Match Program as part of the MSRC's FY 2009-10 Work Program. All these projects also received partial funding as part of the MSRC's FY 2008-09 Work Program (see below). These contracts are with the prospective contractor for signature or executed.

On November 6, 2009, the AQMD Governing Board approved 11 additional awards, as well as 1 augmentation for a project which previously received a partial award, under the Local Government Match Program as part of the MSRC's FY 2009-10 Work Program. These contracts are awaiting responses from the prospective contractor, with the prospective contractor for signature, or executed.

On March 5, 2010, the AQMD Governing Board approved an award to the Coachella Valley Association of Governments for the Coachella Valley Regional PM10 Street Sweeping Program. Also on March 5, 2010, the Board approved an award to the Los Angeles County Metropolitan Transportation Authority to provide clean fuel transit service to Dodger Stadium. Both awards were part of the MSRC's FY 2009-10 Work Program and both contracts are executed.

On July 9, 2010, the AQMD Governing Board approved 21 awards under the Heavy-Duty Alternative Fuel Engines for On-Road Vehicles Program as part of the FY 2009-10 Work Program. These contracts are under development, undergoing internal review, or with the prospective contractor for signature.

2008-09 Work Program

On July 11, 2008, the AQMD Governing Board approved six augmentations for projects which previously received partial awards under the FY 2007-08 Work Program, as well as six additional awards, for the Alternative Fuel Heavy-Duty Engines for On-Road Vehicles Program as part of the MSRC's FY 2008-09 Work Program. Also on July 11, 2008, the Board approved 26 awards under the Local Government Match Program and 22 awards under the Alternative Fuel Infrastructure Funding Opportunities Program as part of the MSRC's FY 2008-09 Work Program. Some of these projects also received partial funding as part of the MSRC's FY 2007-08 Work Program (see below). Lastly, on this date the Board approved a sole-source award to Administrative Services Co-Op/Long Beach Yellow Cab to place into service up to 15 dedicated CNG taxicabs. Except as detailed below, these contracts are executed:

- One of the augmented awards was to Diversified Truck Rental and Leasing for the purchase of ten natural gas refuse trucks. MSRC staff has been informed that the company was sold. After multiple attempts to obtain a response from the purchasing entity, they were informed that they must respond by July 16, 2010 or MSRC staff would recommend that the MSRC terminate negotiations. Diversified subsequently responded and MSRC staff is making final attempts to negotiate a contract.
- One of the Infrastructure awards was to the Regents of the University of California for the installation of a hydrogen fueling station at UCLA. Negotiations with UCLA have been productive and the contract is currently undergoing internal review.

On September 5, 2008, the AQMD Governing Board approved an augmented award under the Local Government Match Program for an application which had been misplaced and thus not considered with the original awards. This contract is executed. Also on September 5, 2008, the MSRC approved a sole-source award to FuelMaker Corporation to provide incentives for natural gas home refueling units. This contract was under development when MSRC staff learned that FuelMaker Corporation had been adjudged bankrupt by the Ontario (Canada) Superior Court. Subsequently, FuelMaker was purchased by IMPCO. MSRC staff is currently awaiting responses from IMPCO to determine what actions may be necessary to continue implementation of the Program.

On January 9, 2009, the AQMD Governing Board approved an award for a replacement CNG refueling station vendor in support of the Mountain Area CNG School Bus Demonstration Program. At their March 19, 2009 meeting, the MSRC approved an augmentation to this award, and the AQMD Board approved the increase on May 1, 2009; this contract is executed.

On March 6, 2009, the AQMD Governing Board approved two augmented awards under the Local Government Match Program for applications which had been misplaced and thus not considered with the original awards. These contracts are executed.

On September 11, 2009, the AQMD Governing Board approved 29 awards under the MSRC's FY 2008-09 Local Government Match Program. Some of these projects also received funding as part of the MSRC's FY 2009-10 Work Program (see above). Also on September 11, 2009, the Board approved modifications to the 511 Commuter Services Outreach and Public Awareness Campaign, reflecting the bifurcation of outreach efforts, as part of the MSRC's FY 2006-07 Work Program. These included a modified award changing the original contractor name to LA SAFE and reducing the award amount from \$1,000,000 to \$700,000, as well as new sole-source

awards to Riverside County Transportation Commission and the Better World Group. These contracts are with the prospective contractor for signature or executed.

2007-08 Work Program

Except as discussed below, contracts for this Work Program are executed or declined.

On December 7, 2007, the AQMD Governing Board approved two sole-source awards to implement Big Rig Freeway Service Patrol as part of the MSRC's FY 2007-08 Work Program. These contracts are under development or undergoing internal review.

On May 2, 2008, the Board approved nine awards for the Alternative Fuel Heavy-Duty Engines for On-Road Vehicles Program. As noted above, MSRC staff is making final attempts to conclude negotiations with the entity which purchased Diversified Truck Rental and Leasing.

On July 11, 2008, the AQMD Governing Board approved seven awards under the Alternative Fuel Infrastructure Funding Opportunities Program. As noted above, this contract is undergoing internal review.

2006-07 Work Program

Except as discussed below, contracts for this Work Program are executed or declined.

On October 5, 2007, the AQMD Governing Board approved 18 awards under the "Showcase" Program. Caltrans' contract is not executed as it was superseded by the MSRC's approval of an alternative contracting procedure—see below.

On December 5, 2008, the AQMD Board approved ten awards to manufacturers of diesel emission control systems under the "Showcase" Off-Road Diesel Construction Equipment Retrofit Program. These awards reallocated funding which was originally awarded to Caltrans in October 2007. Two awards have been declined; the remaining contracts have been awaiting confirmation of Caltrans' willingness to participate in accordance with Program terms. In July 2009, Caltrans suggested that they might want to try another approach, but they have not yet provided necessary information which would allow the contract process to move forward. Caltrans has recently indicated that they cannot participate in the Showcase Program at this time, and MSRC staff are recommending that negotiations with the manufacturers be terminated.
